35. Not Proofreading. One of the biggest mistakes you can make when it comes to cover letters is not taking the time to edit and proofread your letter for typos and grammatical errors before you send it to prospective employers. It simply shows a lack of attention to detail – something that won ' t quite impress the hiring manager.

Danes speak wonderful English, yet they make a few simple errors over and over, whether it's confusing 'fun' with 'funny', using 'both' for more than two items, or bragging about 'living in a hotel' on vacation. This collection of easy-to-fix mistakes will help Danes make their spoken and written English even more smooth and impressive. It is a useful tool for anyone who uses English in business or while travelling.

Getting fired is easier and faster than getting hired! Job is not all about going to work and getting the salary at payday. There are a plethora of things that could go wrong on any given day and you may get fired immediately. You could avoid the setback that arises after getting terminated by learning about mistakes beforehand. Every year millions of employees get fired. No, not everybody gets fired because of poor performance. You will be surprised to know that, coming to the office late, damaging company property, posting something online, taking too many leaves, are the most common reasons why employees get fired. This book informs you about the most common mistakes made by employees that get them fired. You must know these 35 mistakes that can get you fired from your dream company. College graduates who are preparing to set foot in the corporate world must be aware of the numerous reasons they can be terminated from their dream company. Here are 35 reasons you can be dismissed, asked to pack your stuff, and leave. But don't worry! I have got your back. With every mistake or reason to get fired, I have shared plenty of ideas, tactics, and tips to avoid those mistakes and shine at your workplace! 1. Providing false information about yourself on the resume - How to get a job without faking your experience and work credentials? 2. Stepping Lightly Around the Pitfalls of Estate Planning... Estate planning is one of those unpleasant but really important tasks. Unfortunately, the process is not only hard to get started, it is then easy to make mistakes. Even the most careful and well-intentioned person can slip up along the way. Avoid the pitfalls! The 50 Biggest Estate Planning Mistakes outlines the major mistakes and their consequences in an entertaining way-and then proceeds to tell you exactly how to avoid these mistakes. Delivering practical and helpful information in a light tone, the authors help to make these sometimes difficult conversations a little easier. The book's fifty concise chapters are filled with real-life examples, organized under four key areas of mistakes: The biggest mistake of not planning at all Failing to plan for the possibility of mental incompetency Mistakes made during the estate planning process itself And common mistakes made by executors Written by personal finance and estate planning experts, Jean Blacklock and Sarah Kruger, The 50 Biggest Estate Planning Mistakes and How To Avoid Them is an essential guide for Canadians interested in planning their estates effectively, with minimal stress on their loved ones.

Common Mistakes in English takes more than 550 examples of typical errors (for example, words that are often confused, misused, or used with the wrong preposition) and offers a correct version and an explanation that will help students avoid making that mistake themselves. An invaluable book for students who are keen to get it right every time.
