Review With Mr. Dietrich

8th Grade Science Staar Test
Sample test questions are
small subsets of test
questions released from the
STAAR test banks. These test
questions may have been
previously administered. A
test form is a set of
released test questions
previously administered
together to Texas students
which reflects the STAAR
test blueprints.

At the end of grades 3 through 5, students are assessed in reading and mathematics, with an additional test in writing at the end of grade 4 and science at the end of grade 5. Grades 6 through 8 follow largely the same testing pattern, with reading and math tests every year, adding writing in grade 7, and science and social studies in grade 8.
