In A SPECTACLE OF CORRUPTION the problem is even more personal: Weaver must investigate a murder for which he has been wrongfully charged and convicted. In the year 1722, England was embroiled in a parliamentary election viewed as a referendum on the rule of King George. As the novel opens, Weaver finds himself on trial for the murder of Walter Yate.

Rebels and A Conspiracy of Papercomes a stunning new thriller set in the splendor and squalor of eighteenth-century London. The year is 1722. Ruffian for hire and master of disguise Benjamin Weaver finds himself pitted against a mysterious mastermind who holds the lives of Weaver's friends in the balance. To protect the people he loves, Weaver must stage a daring robbery from the headquarters of the ruthless British East India Company, but this theft is only the opening move in a dangerous game of secret plots, corporate rivals, and foreign spies. With the security of the nation—and the lives of those he loves—in the balance, Weaver must navigate a labyrinth of political greed and corporate treachery. Explosive action and utterly vivid period detail are the hallmarks of an author who continues to set the bar ever higher for historical suspense.

Benjamin January made his debut in bestselling author Barbara Hambly's *A Free Man of Color*, a haunting *mélange* of history and mystery. Now he returns in another novel of greed, madness, and murder amid the dark shadows and dazzling society of old New Orleans, named a Notable Book of the Year by the New York Times. The summer of 1833 has been one of brazen heat and brutal pestilence, as the city is stalked by Bronze John—the popular name for the deadly yellow fever epidemic that tests the healing skills of doctor and voodoo alike. Even as Benjamin January tends the dying at Charity Hospital during the steaming nights, he continues his work as a music teacher during the day. When he is asked to pass a message from a runaway slave to the servant of one of his students, January finds himself swept into a tempest of lies, greed, and murder that rivals the storms battering New Orleans. And to find the

truth he must risk his freedom...and his very life.

In seventeenth-century Amsterdam, Miguel Lienzo, a Portuguese-Jewish trader desperate to recover his lost fortune, enters into a partnership with seductive Geertruid Damhuis to introduce coffee to the city, and confronts a ruthless adversary.

Benjamin Weaver, the quick-witted pugilist turned private investigator, returns in David Liss's sequel to the Edgar Award-winning novel, *A Conspiracy of Paper*. "[A] wonderful book . . . every bit as good as [Liss's] remarkable debut . . . easily one of the year's best."—The Boston Globe Moments after his conviction for a murder he did not commit, at a trial presided over by a judge determined to find him guilty, Benjamin Weaver is

accosted by a stranger who cunningly slips a lockpick and a file into his hands. In an instant he understands two things: Someone wants him to hang—and another equally mysterious agent is determined to see him free. After a daring escape from eighteenth-century London's most notorious prison, Weaver must face another challenge: to prove himself innocent when the corrupt courts have shown they care nothing for justice. Unable to show his face in public, Weaver pursues his inquiry disguised as a wealthy merchant seeking to involve himself in the contentious world of politics. Desperately navigating a labyrinth of schemers, crime lords, assassins, and spies, Weaver learns that in an election year, little is what it seems and the truth comes at a staggeringly high cost. Praise for *A Spectacle of Corruption* “[A] rousing sequel of historical, intellectual suspense.”—*San Antonio Express-News* “Liss is a

superb writer who evokes the squalor of London with Hogarthian gusto.”—People “In Benjamin Weaver, Mr. Liss has created a multifaceted character and a wonderful narrator.”—The New York Sun

David Liss’s bestselling historical thrillers, including *A Conspiracy of Paper* and *The Coffee Trader*, have been called remarkable and rousing: the perfect combination of scrupulous research and breathless excitement. Now Liss delivers his best novel yet in an entirely new setting—America in the years after the Revolution, an unstable nation where desperate schemers vie for wealth, power, and a chance to shape a country’s destiny. Ethan Saunders, once among General Washington’s most valued spies, now lives in disgrace, haunting the taverns of Philadelphia. An accusation of

Download File PDF A Spectacle Of Corruption Benjamin Weaver 2 David Liss

treason has long since cost him his reputation and his beloved fiancée, Cynthia Pearson, but at his most desperate moment he is recruited for an unlikely task—finding Cynthia's missing husband. To help her, Saunders must serve his old enemy, Treasury Secretary Alexander Hamilton, who is engaged in a bitter power struggle with political rival Thomas Jefferson over the fragile young nation's first real financial institution: the Bank of the United States. Meanwhile, Joan Maycott is a young woman married to another Revolutionary War veteran. With the new states unable to support their ex-soldiers, the Maycotts make a desperate gamble: trade the chance of future payment for the hope of a better life on the western Pennsylvania frontier. There, amid hardship and deprivation, they find unlikely friendship and a chance for prosperity with a new method of distilling whiskey. But on an isolated frontier, whiskey is

Download File PDF A Spectacle Of Corruption Benjamin Weaver 2 David Liss

more than a drink; it is currency and power, and the Maycotts' success attracts the brutal attention of men in Hamilton's orbit, men who threaten to destroy all Joan holds dear. As their causes intertwine, Joan and Saunders—both patriots in their own way—find themselves on opposing sides of a daring scheme that will forever change their lives and their new country. *The Whiskey Rebels* is a superb rendering of a perilous age and a nation nearly torn apart—and David Liss's most powerful novel yet.

Working as a door-to-door salesman in a South Florida trailer park, teenager Lem Altick becomes an eyewitness to the murders of two of his would-be customers and is forced into an uneasy alliance with the assassin, an extremist with a dedication to animal rights. Reprint. 25,000 first printing.

“Gary Greenberg has become the Dante of our psychiatric age, and the DSM-5 is his Inferno.” —Errol Morris Since its debut in 1952, the American Psychiatric Association’s Diagnostic and Statistical Manual of Mental Disorders has set down the “official” view on what constitutes mental illness. Homosexuality, for instance, was a mental illness until 1973. Each revision has created controversy, but the DSM-5 has taken fire for encouraging doctors to diagnose more illnesses—and to prescribe sometimes unnecessary or harmful medications. Respected author and practicing psychotherapist Gary Greenberg embedded himself in the war that broke out over the fifth edition, and returned with an unsettling tale. Exposing the deeply flawed process behind the DSM-5’s compilation, *The Book of Woe* reveals how the manual turns suffering into a commodity—and made
