AMA citation style guide - BibGuru Guides

We are currently following the 10th edition of the AMA style guide. AMA is a documentary-note style, which means you put a number in your text to cite sources of information and the reference list is in numerical order. In text citations are in superscript 1 and in order of citation (the first citation is 1 the next is 2). If you use the same source again, you keep the same number (the source you used for the first citation is always 1, even if you use it again after 6).
