And, for the BBC, Dench created another unforgettable woman when she brought her great comic timing and deeply felt emotions to the role of Jean Pargetter in the long-running hit BBC series *As Time Goes By*. And Furthermore is, however, more than the story of a great actress's career. It is also the story of Judi Dench's life: her early days as a child in a family that was in love with the theatre; her marriage to actor Michael Williams; the joy she takes in her daughter, the actress Finty ...

Book Summary From the moment Judi Dench appeared as a teenager in the York Mystery Plays it was clear that acting would be her career. Trained at London's Central School of Speech and Drama it was her performance in her twenties as Juliet in Franco Zeffirelli's memorable Old Vic production that turned her into a star.
