Annual Editions Ser.: Western Civilization Vol. 2 : Early ...
The Lost History of Western Civilization is a wide-ranging consideration of the academy's role in producing America's contemporary political and cultural divisions. The report traces the ways in which the 1988 controversy over the teaching of Western Civilization at Stanford set the pattern for today's "Cold Civil War."

inexpensive access to a wide range of current articles from some of the most respected magazines, newspapers, and journals published today. Annual Editions are updated on a regular basis through a continuous monitoring of over 300 periodical sources. The articles selected are authored by prominent scholars, researchers, and commentators writing for a general audience. The Annual Editions volumes have a number of common organizational features designed to make them particularly useful in the classroom: a general introduction; an annotated table of contents; a topic guide; an annotated listing of selected World Wide Web sites; and a brief overview for each section. Each volume also offers an online Instructor's Resource Guide with testing materials. Using Annual Editions in the Classroom is a general guide that provides a number of interesting and functional ideas for using Annual Editions readers in the classroom. Visit www.mhhe.com/annualeditions for more details.
