Manji. Mary Manjikian's Apocalypse and Post-Politics: The Romance of the End advances the thesis that only those who feel the most safe and whose lives are least precarious can engage in the sort of storytelling which envisions erasing civilization. Apocalypse-themed novels of contemporary America and historic Britain, then, are affirmed as a creative luxury of development.

### ~~Apocalypse, the Radical Left and the Post-political Condition~~

In fact, these social and political manifestations are older than we usually recognize. Alissa and I draw out three pathologies of the modern moral order, a sort of unholy trinity around which our politics of apocalypse often gravitates: (1) individualism and authenticity, (2) consequentialism and (3) the loss of freedom.

On the other hand, a number of increasingly influential political philosophers insist on how the post-politicization (or de-politicization) of the public sphere (in parallel and intertwined with processes of neoliberalization) have been key markers of the political process over the past few decades. We proceed in four steps.

### ~~Apocalypse Forever? - Erik Swyngedouw, 2010~~

Apocalyptic and post-apocalyptic fiction is a subgenre of science fiction, science fantasy, dystopia or horror in which the Earth's technological civilization is collapsing or has collapsed. The apocalypse event may be climatic, such as runaway climate change; astronomical, such as an impact event; destructive, such as nuclear holocaust or resource depletion; medical, such as a pandemic ...
