Megan McCafferty is the author of the Jessica Darling books, hands-down my all-time favorite contemporary series. The dystopian novel BUMPED is a huge departure from her legacy, but if you tone down your instinctual desire to compare it to the Jessica Darling books, it is a fantastically complex story that will provide fodder for thought for multiple rereads.

Bumped (Bumped, #1) by Megan McCafferty. However, in Bumped all of these were included and were used in an over the top way. So, Melody and Harmony are our two main characters. The characters weren't strong and Harmony and her "preaching" frankly just annoyed me from the beginning - in fact, they were both irritating and pretty predictable.
