### Chapter 1 Groundwork Establishing The Vertical Team

The first section of the Groundwork, and the argument that moral

# Online Library

## Chapter 1

action consists in imagining one's conduct as the basis for a universal law, is likely the piece of writing for which Kant is best-known. It would serve us well here to examine his argument and place it in its philosophical context, while, at the same time, noting the ways in which the first section is in fact quite atypical for Kant.
