Side Projects Engine Test Stand. When rebuilding the matching number 327/350hp for the 68 vette, I want to make sure that everything goes well. That last thing I would want is there to be an oil leak all over the freshly restored body and chassis.

Homemade Engine Test Stand - Plans and Dimensions Included ...

The fix involves pulling the engine back out and repairing the damage. It would have been nice if we had a test stand where we could run the engine first and uncover the fault where it would be easy to repair. Maybe the guys at Summit Racing have been there too because they just released a simple, self-contained engine test stand on wheels.
