Roy Grace, creation of the award-winning author Peter James, exposes the dark side of the internet in Dead at First Sight. You don't know me, but I thought I knew you . . . A man waits at a London airport for Ingrid Ostermann, the love of his life, to arrive. As his investigations continue, a handsome Brighton motivational speaker comes forward. He's discovered his identity is being used to scam eleven different women, online. The first he knew of it was a phone call from one of them, out of the blue, saying, 'You don't know me, but I thought I knew you'. That woman is now dead.
