This special issue of DO Magazine shows you how to make your own stunning jewelry in a variety of mediums—beads, findings, wire, hemp, and leather. DO Jewelry Made Easy features 28 stylish projects from some of today's top jewelry designers. Each easy-to-make project includes step-by-step instructions, lists of tools and materials, and color photos. Many are on a beginner level and easy enough to complete in just an hour or two. Inside these pages you'll find trendy tassel necklaces, earrings for every day wear, fun bracelets to add pizzazz to your wardrobe, statement-making rings, and much more. If you are new to jewelry making, we've included a handy review of the common tools and materials used in jewelry making, along with tutorials for essential jewelry-making techniques.

With over 50 of the most popular projects from the last year of Bead Style magazine, jewelry makers will create beautiful necklaces, bracelets and earrings. Easy Jewelry Making offers a wide variety of styles, materials, and techniques all in one convenient collection. Whether you are a beginner or a more experienced stringer, you will be inspired by these wearable and fashionable projects by top designers. Hundreds of helpful tips and dozens of design options give every beader the opportunity to find something to love!

Craft colorful and unique jewelry with this Asian-inspired craft book. Bracelets embellished with Chinese floral and butterfly motifs, a gold-and-pearl lariat inspired by the fringes of a Persian carpet, and the popular Shamballa bracelet— these are just a few of the many artful pieces you'll learn to make in this wonderful new DIY jewelry book. Jewelry techniques include: Wire Strung Jewelry Loop & Chain Jewelry Memory Wire Jewelry Knotted Jewelry Elastic Cord Bracelets Suitable for novices and experienced jewelry-making experts alike, some of the projects take just a few minutes to complete, and all of them are fun and inexpensive to do. They result in jewelry that looks great and can be worn anywhere! Most of the 33 jewelry projects in this jewelry making book use materials you can find in any craft store. Each chapter in Creative Beaded Jewelry takes you through the basics of a different stringing method and then sets you on an adventure through the many ways you can use it to create your own personalized designs.

This updated and expanded fourth edition of a popular reference book for teachers and librarians to use in planning interesting extension projects, holiday events to promote diversity, and cross-cultural understanding indexes 725 new books and features over 1,000 indexed projects. Indexes build on the previous three volumes. The book is indexed by subject and author and features indexes to educational games, crafts, activities, and more. It will be particularly useful to educators for use in the social studies curriculum, but also valuable to daycare providers and parents. Booklist and Appraisals and others favorably reviewed previous editions. Complete bibliographic information is given for all books indexed. Grades K-8.

This how-to jewelry-making book features the work of an array of invited jewelry designers influenced by the growing Steampunk trend. In Steampunk circles, jewelry-makers are often master metalsmiths who combine found objects with fine metals to create elaborate pieces. In Steampunk-Style Jewelry, the projects focus on "no fire" techniques—like simple stringing, wirework, hammering, stamping, gluing, stitching, and off-loom beadwork—so that even a beginner can create pieces in the style. Each project provides a complete materials and tools list, step-by-step instructions, and clear illustrations. This book offers a broad overview of a growing design trend that is part of the literary, industrial design, fashion, and popular culture scene. Readers will learn about the art movement through the many photographic sidebars that explore the many aspects of the trend.

Popular Science gives our readers the information and tools to improve their technology and their world. The core belief that Popular Science and our readers share: The future is going to be better, and science and technology are the driving forces that will help make it better.

You've probably coveted jewelry you've seen in artsy boutiques and fashion magazines or envied friends who have the perfect bling to accent everything. With this book, you'll learn to craft designs that are chic but inexpensive. With hundreds of detailed photos, this book covers tools and supplies, bead stringing and weaving, wire wrapping, and more. Terrific projects will get you started and inspire you to create your own jewelry and beadwork designs. Concise two-page lessons show you all the steps to a skill and are ideal for quick review. Each skill or technique is defined and described. Detailed color photos demonstrate each step. Step-by-step instructions accompany each photo. Helpful tips provide additional guidance.
