Fast and addictive fun, full of fantastic new challenges

A bull-terrier puppy that chews up the living room, a leggy blonde who tests her husband's susceptibility to temptation, and trouble at school for the twins are among the complications in Mary Ann Shaughnessy's life

Updated with stories from people who have been inspired by the original text, a guide to connecting with what matters most identifies four phrases for honoring relationships, letting go of unhealthy emotions, and living life fully.

Describes what it feels like to change from a caterpillar into a butterfly, and includes gardening tips to attract butterflies.

Booked for Christmas, a novella from debut author Lily Menon, is sure to get readers in the holiday spirit! Novelist Sophia Hart (real name: Sophie Bartholomew-Kaur-Hughes, but try fitting that on a book cover) absolutely hates her loudest critic—Evan Wolfe, evil mastermind behind the Lone Wolfe book review column. They've never met, but Wolfe's favorite pastime seems to be dumping on Sophie's unapologetically happy, magical romances. Sophie, not one to be left behind, gets her revenge in her own ways (never annoy a writer in search of a villain). When Sophie decides to throw a holiday party at her cabin, Wolfe is the last person on her mind. But the universe has a twisted sense of humor. Not only does Wolfe show up as someone's plus one, but a massive snowstorm blows in, stranding them both alone together in Sophie's cabin. Over the next few days, Sophie begins to realize that Wolfe isn't as odiously cynical a man as she'd originally thought. In fact, he's kind of...sweet. And impossibly hot. But still, Sophie's been hurt before and she has so much to lose. What she needs is one sure sign that she and Wolfe are meant to be together. Will Sophie and Wolfe get their Christmas miracle?

Peterson's® Master the(tm) SSAT® is the guide for preparing students and their parents for the SSAT® exam. Complete with the most up-to-date information on the upper-level exam, this guide is vitally important to anyone preparing for private secondary school admissions testing. Students have access to test-taking strategies for each of the question types, along with specific advice for exam day. Four practice tests, plus a diagnostic test, provide students with a realistic idea of what to expect when the test date arrives. In addition, students and parents

both benefit from expert tips on all aspects of the private secondary school search process: how to identify schools that are a good fit, how to apply for financial aid, and all of the other challenges of finding the right private secondary school. 4 full-length practice tests with detailed answer explanations Diagnostic test to determine strengths and weaknesses Complete review of all exam subjects: Verbal Ability, Quantitative Ability, Reading Comprehension, and Writing Expert advice on SSAT® exam question formats, scoring, and what to expect on test day

Old secrets die hard in the Tavistock family... In *Their Footsteps* The quiet scandal surrounding her parents' deaths twenty years ago has always haunted Beryl Tavistock. Now she's decided that the only way to exorcise the ghosts of the past is to search for the truth. Beryl starts asking dangerous questions, and the answers are proving that old secrets die hard. Caught in what's become a deadly game of cat-and-mouse, her quest takes her from the rain-slick streets of Paris to the sun-drenched isles of Greece. And as she gets pulled into a world of espionage, Beryl quickly discovers that she needs help. Richard Wolf, an ex-CIA agent and a man she's only just met, is her only hope. But in a world where trust is a double-edged sword, friends become enemies, and enemies become killers... Stolen Reformed cat burglar Clea Rice has witnessed enough crimes to put her on the straight and narrow. But little does she suspect that her search for justice will land her in the arms of wealthy English gentleman Jordan Tavistock. As their attraction grows, so does the danger. Now their biggest concern isn't whether a proper gentleman and a cat burglar can find happiness...it's whether they'll survive long enough to find out.

Examines the formidable challenges facing the middle class, calling for fundamental changes while surveying the extent of the problem and identifying the people and agencies most responsible.
