KUALA LUMPUR (SIN CHEW DAILY/ASIA NEWS NETWORK) - The national security council has decided to extend the first phase of nationwide lockdown supposed to end on June 14 by another 14 days.

You know the battle is raging--but are you fighting the right enemy? Just as enemies fought Joshua in the Promised Land, and Nehemiah faced opposition as he rebuilt the walls of Jerusalem, our enemy will fight us as we approach the spiritual terrain God has promised us. Most Christians retreat at the first sign of conflict because they fail to recognize the true nature of the battle. But you can prevail in freedom and joy. Sharing his deeply personal story of demonic bondage, torment and ultimate deliverance, pastor and bestselling author Kris Vallotton turns the idea of spiritual warfare as we know it on its head. He reveals the diabolical lies and strategies of the enemy--attacks and traps so subtle and deceptive that we may find our souls and hearts imprisoned without even knowing it. No more! Now you can win the invisible battle against sin and the enemy. Victory is within your grasp. Will you take hold? "It is with great excitement that I recommend this book to you, knowing that fruit will increase until Jesus gets His full reward."--Bill Johnson, author, When Heaven Invades Earth and The Essential Guide to Healing, senior pastor, Bethel Church, Redding, California

What is sin, why did it happen, and how can we overcome it? Popular EWTN host and speaker Fr. Mitch Pacwa uses his extensive knowledge of the Scriptures to take us on a tour of the Bible to help us understand sin and why we need Jesus in our lives to defeat it. By examining important biblical passages, Fr. Pacwa provides us with hope that we can win the battle against sin by putting it to death on the cross and allowing the Holy Spirit to fill us and transform us. Fr. Pacwa provides guidelines for meditating on important passages in the Gospels to understand how Jesus dealt with sinners and to help us examine our consciences. He also shows readers how to use the psalms to pray for repentance and forgiveness. Fr. Pacwa concludes with some practical strategies for living a virtuous and victorious life in Christ.

What is sin, why did it happen, and how can we overcome it? Popular EWTN host and speaker Fr. Pacwa uses his extensive knowledge of the Scriptures to take readers on a tour of the Bible to help understand sin and why we need Jesus in our lives to defeat it. By examining important biblical passages, Fr. Pacwa provides us with hope that we can win the battle against sin by putting it to death on the cross and allowing the Holy Spirit to fill us and inform us. He provides guidelines for meditating on important passages in the gospels to understand how Jesus dealt with sinners and to help us examine our consciences. He also shows readers how to use the psalms to pray for repentance and forgiveness. Fr. Pacwa concludes with some practical strategies for living a virtuous and victorious life in Christ.

How to Be an Overcomer is a type of field manual for your spiritual warfare. It helps orient you on the battlefield, equip you for the struggle, and guide you through to victory.

J. C. Ryle's "Holiness " is a lost treasure, written by one of the great Anglican priests and writers of the nineteenth century. Hendrickson reintroduces this classic text, largely unavailable today, on living a Christ-like life. "Holiness " is considered to be one of the most profound books on discipleship in the English language. Christians have recognized anew the critical importance of discipleship and spiritual formation to the life of the individual believer, the local church and to the Kingdom of God. Ryle's "Holiness " ranks among the core library of teachings on being a disciple of Jesus Christ. In this book, Ryle encourages the reader into a life of holiness, drawn completely from the Bible and not from contemporary books or preachers, or from any of the fads that were popular during his lifetime, much as they are today or in any era. He is writing about personal, or private, holiness, the life we live behind closed doors with our families and closest friends. "I have had a deep conviction for many years that practical holiness and entire self-consecration to God are not sufficiently attended by modern Christians in this country. Politics, controversy, or party-spirit, or worldliness, have eaten out the heart of lively piety in too many of us. The subject of personal godliness has fallen sadly into the background." --J. C. Ryle "

How do you keep fighting when you keep failing? In the fight against our sin, we all are tempted toward discouragement and exhaustion. Defeat leaves us vulnerable to giving up the fight against sin. How do we endure? Andy Cimbala shares battle-tested insights and strategies that will help you fight your sin with power and wisdom. The Relentless Fight focuses on remembering the gospel, and how that good news motivates us to persevere in our fight for holiness. Expect to be encouraged, empowered, and equipped by this book for the great fight of faith!

Young Clare Gilmour, the second daughter of an upper middle class London family, is freshly "out" but can't find a place for herself. She meets Roderick Vaughan who sees her naive vulnerability and convinces her to run away with him. Vaughan knows that the family horror of public scandal will lead to a wedding, and so it does, despite the fact that he is vulgar and ill-bred. After the wedding, she discovers she is married to a bully and can't escape him. She meets Basil Everett and finds a person who wants to love her as she is. Ultimately, she is bound by England's divorce laws, unless she and Basil can find a way to escape them.

During the 1830s the United States experienced a wave of movements for social change over temperance, the abolition of slavery, anti-vice activism, and a host of other moral reforms. Michael Young argues for the first time in Bearing Witness against Sin that together they represented a distinctive new style of mobilization—one that refigured contemporary forms of social protest by underscoring the role of national religious structures and cultural schemas. In this book, Young identifies a new strain of protest that challenged antebellum Americans to take personal responsibility for reforming social problems.In this period activists demanded that social problems like drinking and slaveholding be recognized as national sins unsurpassed in their evil and immorality. This newly awakened consciousness undergirded by a confessional style of protest, seized the American imagination and galvanized thousands of people. Such a phenomenon, Young argues, helps explain the lives of charismatic reformers such as William Lloyd Garrison and the Grimké sisters, among others. Marshalling lively historical materials, including letters and life histories of reformers, Bearing Witness against Sin is a revelatory account of how religion lay at the heart of social reform.
