Dedicato a tutti gli italiani che pensavano di essere LORO il problema! Come insegnante di un'importante scuola di inglese in Italia, mi sono subito reso conto che il metodo che veniva utilizzato era inefficace e difficile per gli studenti italiani. Tanti concetti che non esistono nella lingua italiana non potevano essere compresi nel modo corretto se spiegati in inglese, secondo il metodo di quella scuola. Mi sono, quindi, trovato a spiegarli in italiano, di nascosto, e questo per gli studenti ha significato spiccare il volo... Davo loro qualche vocabolo e qualche verbo in modo che potessero formulare fin da subito delle frasi in inglese, grazie al metodo dei BUILDING BLOCKS, sempre scegliendo esempi comici per un motivo molto semplice: quando uno si diverte, impara più volentieri. Tutti i miei studenti si ricordano ancora, a distanza di anni, le pазze storielle scritte da me per insegnare loro le regole... e con le storielle si ricordano anche la grammatica! Il mio metodo, basato fondamentalmente sulla semplicità, sulla logica e il buonsenso è diventato così popolare che ora ho deciso di mettere tutto in un libro, perché imparare l'inglese può essere davvero divertente se affronti ogni esercizio come un gioco o un puzzle! E poi, apprendere le regole fondamentali sarà ancora più entusiasmante dal momento che potrai direttamente applicarle al tuo inglese in viaggio, al lavoro, e utilizzarle per scoprire tutti i piccoli segreti di ogni inglese, come le frasi più tipiche e diffuse: gli idioms.
