Una bienvenida a la intimidad de unas de las figuras más queridas de la televisión mexicana, y una invitación a reflexionar sobre los sueños y cómo alcanzarlos. Con prólogos de Martha Debayle y Eugenio Derbez "Hoy es otro día y todo empieza de nuevo. ¡Para atrás, ni para tomar vuelo!" es una de las frases recurrentes que Jacky Bracamontes usa para su vida diaria. La pasarela de mi vida es un paseo por las distintas etapas que ha vivido, con sus caídas, sus sueños, sus decepciones y sus luchas. Un libro cubierto por anécdotas con los famosos, tips, consejos y hasta recetas, pero sobre todo mucha honestidad. Tanta, que al leerlo parecerá que estás tomándote un café con Jacky.

Una bienvenida a la intimidad de una de las figuras más queridas de la televisión mexicana, y una invitación a reflexionar sobre los sueños y cómo alcanzarlos. Jacqueline Bracamontes van Hoorde nació en Guadalajara en 1979, en el seno de una familia de clase media donde reinaban el respeto, el cariño, los valores y la dedicación. Su padre, el famoso entrenador de fútbol, Jesús Bracamontes, y su madre, impulsaron a Jacky a perseguir sus sueños desde muy pequeña. Con constancia y trabajo, y no sin obstáculos en el camino, ella pasó de ser una joven de Guadalajara, a ser el rostro más bello y carismático de México, manteniéndose con los pies en la tierra. La pasarela de mi vida está llena de anhelos, aprendizaje, experiencias, reflexiones y duelos, que nos muestran cómo los sueños siempre se pueden alcanzar. Hoorde was born in Guadalajara in 1979, into a middle-class family that valued respect, care, values, and dedication. Jacky's mother and her father, the famous soccer coach Jesús Bracamontes, inspired her to follow her dreams since she was very young. With perseverance and hard work, and not without obstacles along the way, she went from being a young woman from Guadalajara to being the most beautiful, charismatic face in Mexico, all while keeping her feet firmly on the ground. The Catwalk of My Life is full of yearning, learning, experiences, reflections, and pain that show us how dreams can always come true.

A National Bestseller! What does an undocumented immigrant look like? What kind of family must she come from? How could she get into this country? What is the true price she must pay to remain in the United States? JULISSA ARCE knows firsthand that the most common, preconceived answers to those questions are sometimes far too simple-and often just plain wrong. On the surface, Arce's story reads like a how-to manual for achieving the American dream: growing up in an apartment on the outskirts of San Antonio, she worked tirelessly, achieved academic excellence, and landed a coveted job on Wall Street, complete with a six-figure salary. The level of professional and financial success that she achieved was the very definition of the American dream. But in this brave new memoir, Arce digs deep to reveal the physical, financial, and emotional costs of the stunning secret that she, like many other high-achieving, successful individuals in the United States, had been forced to keep not only from her bosses, but even from her closest friends. From the time she was brought to this country by her hardworking parents as a child, Arce-the scholarship winner, the honors college graduate, the young woman who climbed the ladder to become a vice president at Goldman Sachs-had secretly lived as an undocumented immigrant. In this surprising, at times heart-wrenching, but always inspirational personal story of struggle, grief, and ultimate redemption, Arce takes readers deep into the little-

understood world of a generation of undocumented immigrants in the United States today- people who live next door, sit in your classrooms, work in the same office, and may very well be your boss. By opening up about the story of her successes, her heartbreaks, and her long-fought journey to emerge from the shadows and become an American citizen, Arce shows us the true cost of achieving the American dream-from the perspective of a woman who had to scale unseen and unimaginable walls to get there.

On October 13, 1972, an Uruguayan air force plane carrying members of the Old Christians rugby team—and many of their friends and family members—crashed in the Andes mountains. *I Had to Survive* offers a gripping and heartrending recollection of the harrowing brink-of-death experience that propelled survivor Roberto Canessa to become one of the world's leading pediatric cardiologists. As he tended to his wounded teammates amidst the devastating carnage, rugby player Roberto Canessa, a second-year medical student at the time, realized that no one on earth was luckier: he was alive—and for that, he should be eternally grateful. As the starving group struggled beyond the limits of what seemed possible, Canessa played a key role in safeguarding his fellow survivors, eventually trekking with a companion across the hostile mountain range for help. No one could have imagined that there were survivors from the accident in such extreme conditions.

Canessa's extraordinary experience on the fine line between life and death became the catalyst for the rest of his life. This uplifting tale of hope and determination, solidarity and ingenuity, gives vivid insight into the world-famous story that inspired the movie *Alive!* Canessa also draws a unique and fascinating parallel between his work as a doctor diagnosing very complex congenital cardiopathies in unborn and newborn infants and the difficult life-changing decisions he was forced to make in the Andes. With grace and humanity, Canessa prompts us to ask ourselves: what do you do when all the odds are stacked against you?

Narrated with warmth, humor, exceptional candor and wisdom, *The Sum of Our Days* is a portrait of a contemporary family, tied together by the love, strong will, and stubborn determination of a beloved matriarch, the indomitable New York Times bestselling author of *The House of the Spirits*, Isabel Allende. "An inspiring and thought-provoking work." –Denver Post Isabel Allende reconstructs the painful reality of her own life in the wake of the tragic death of her daughter, Paula. Narrated with warmth, humor, exceptional candor, and wisdom, this remarkable memoir is as exuberant and as full of life as its creator. Allende bares her soul while sharing her thoughts on love, marriage, motherhood, spirituality and religion, infidelity, addiction, and memory—and recounts stories of the wildly eccentric, strong-minded, and eclectic tribe she gathers around her and lovingly embraces as a new kind of family.

"Since they shot her at point-blank range while she was being

kissed, she confused the pain of love with that of death." Rosario Tijeras is the violent, violated character at the center of Jorge Franco's study of contrasts, set in self-destructing 1980s Medellín. Her very name-evoking the rosary, and scissors-bespeaks her conflict as a woman who becomes a contract killer to insulate herself from the random violence of the streets. Then she is shot, gravely wounded, and the circle of contradiction is closed. From the corridors of the hospital where Rosario is fighting for her life, Antonio, the narrator, waits to learn if she will recover. Through him, we reconstruct the friendship between the two, her love story with Emilio, and her life as a hitwoman. Rosario Tijeras has been recognized as an admirable continuation of a literary subject that was first treated by Gabriel García Márquez and then by Fernando Vallejo. A work in the Latin American social realist tradition, Rosario Tijeras is told in fast and vibrant prose and with poetic flourish.
