Listen 5e Brief paper & 6 CD set to Accompany Listen 5e Brief by Joseph Kerman, Gary Tomlinson and a great selection of related books, art and collectibles available now at AbeBooks.com.

Consistently praised as the best book of its kind, Listen uses readable, enjoyable prose and the highest quality recordings to introduce students to the art of focused listening. Captivating discussions and concise "Listening Charts" guide students through important musical works and cultivate listening skills. With informative images, useful historical and cultural background, and interesting biographical information, the text continues to offer students the best preparation to appreciate the styles and traditions of Western music. The seventh edition of Listen is more accessible than ever before with new, more teachable listening examples and a more focused and streamlined introduction to music fundamentals. An expanded range of formats for the text and recordings—including a new, affordable streaming music option and a new, all-inclusive e-book—gives you more flexible choices and more ways to listen.

Explore the relationship between music and society around the world This comprehensive introductory text creates a panoramic experience for beginner students by exposing them to the many musical cultures around the globe. Each chapter opens with a musical encounter in which the author introduces a key musical culture. Through these experiences, students are introduced to key musical styles, musical instruments, and performance practices. Students are taught how to actively listen to key musical examples through detailed listening

guides. The role of music in society is emphasized through chapters that focus on key world cultural groups.
