A SUPERMODEL After candidly admitting her virginal state, Jordana Almueda, the world's top supermodel, finds herself in the crosshairs of the tabloid media. Worse, she becomes a challenge for men - receiving a record number of proposals (most of them indecent) since her faux pas. Needing a break, she goes off to Italy to play maid of honor to her best friend. Finally, some downtime at last. Or so she thinks. A BILLIONAIRE Lonzo Vitale's name exudes power. A billionaire by his early thirties, his undeniable good looks and dynamism inspire awe and grabs headlines. The European business sector follows his boardroom moves, usually a step or two behind, while his bedroom conquests provide fodder for gossip pages. He is a man who vows never to settle - a true serial polygamist. When his best friend suddenly decides to tie the knot, Lonzo agrees to be his best man, in hopes of changing the groom's mind about the pitfalls of matrimony. A STORY MADE IN TABLOID HEAVEN. On the eve of the wedding, they find themselves entwined on a bed, naked and with no recollection of how they ended there in the first place. Or that their naked pictures will be selling tabloids weeks later.

My name's Veronique 'Vee' Sevin and I'm a unicorn sans the horn... a 25-year-old-never-been-in-a- relationship-virgin. It doesn't help if you have an overprotective dad who used to be a heavyweight boxing champion. It can be a little intimidating for guys, especially when Dad starts flexing his muscles and casually invites them to train in the ring. It sucks. Believe me, I know. But these are desperate times. This pesky anomaly must go, not because I want to be sexually liberated from the shackles of virgindom, but because of a health scare. I really have to go out of my way to make it happen. I did my research and have seen a lot of YouTube videos on the subject. In my mind it's going to be one of those straightforward things. And then came Jared Braxton. I never met someone who radiates so much sex and power in one explosive package. Tall, sexy, with a face and body chiseled by gods. Just looking at him makes my body parts react and melt into goo. I never thought I'll catch his eye. Or that he'll be my first. We're supposed to be two ships passing in the heat of the night. But it turns out he is not what I initially thought he is. To say that I got more than I bargained for is the understatement of the century. For Jared Braxton, billionaire playboy, has made it known he is not someone I could easily brush aside.

Lacey has fame and fortune. That's everything she's ever wanted. Right? When she becomes tabloid fodder, she's had enough. Escaping to a guest ranch in Bridgewater is the perfect place to hide. But when two hot cowboys make her theirs, is it for fifteen minutes of fame or because they want forever? Warning: Panty melting! Make Me Yours is a wildly dirty romance with a movie star heroine who wants to hide herself from the world and two obsessed alpha cowboys who've found her. Claimed her. Made her theirs. This HEA is all about her - no m/m.

When Kentucky Blueblood Drew Thornton parachuted to his death in September 1985—carrying thousands in cash and 150 pounds of cocaine—the gruesome end of his startling life blew open a scandal that reached to the most secret circles of the U.S. government. The story of Thornton and “ The Company ” he served, and the lone heroic fight of State Policeman Ralph Ross against an international web of corruption is one of the most portentous tales of the 20th century.

The Marshallese-English Dictionary contains almost 12,000 entries giving information on an estimated 30,000 Marshallese words. Built upon the information collected in earlier dictionaries, its entries are enriched with grammatical information and illustrative sentences. Many words not previously recorded have been added, both older words dealing with the lore of the islands and newer words that reflect the changing circumstances of life today. Following the recommendations made by a committee of Marshallese leaders in 1971, the words in this dictionary are spelled along traditional lines, but spellings have been regularized phonetically by computer. An English Finder List is provided to enable the user to easily locate terms for navigation, currents, weather, food preparation, games, and other important aspects of Marshallese culture. A special section lists more than 4,000 place names in the Marshall Islands. Scientific identifications are given for the names of plants, marine life, animals, and stars and constellations. Created to fill the need for a comprehensive dictionary in programs of bilingual education in the schools of the Marshall Islands, this work will also be of use to anthropologists and linguists specialising in the Pacific.
