If you already use Online Banking. Register for the Investment Hub, and we'll automatically connect your investment to your Online Banking. You'll be able to see your investment alongside your other accounts. Registration usually takes 24 hours, subject to security checks.

Managing Your Investments Online | Support | Santander UK

If saving is about putting your money away, then investment is about putting it to work. When you invest, you try to make your money grow more actively than it would in a savings account, in the hope of beating inflation and ideally generating some additional returns. However, you also expose your money to more risk.
