McGraw Hill Studio Space: ArtTalk (9/12) Studio-oriented digital art program. Focuses on the elements and principles of art, art media, art history, and art criticism.

Print Student Edition

Students of Introductory Spanish learn best when they are connecting/with authentic culture, with each other as a community, and with the language as used in real-world settings. Conéctate sparks the curiosity that builds these connections as students drive toward communicative and cultural confidence and proficiency. The Conéctate program's distinctive approach is built around the following principles. Focused approach: Conéctate concentrates on what Introductory Spanish students can reasonably be expected to learn, allowing for sustained engagement with the material that respects the natural process of language acquisition. An intentional focus, first on meaning and then on form, puts in action the best practices of second language pedagogy. Plus, Conéctate's reduced grammar scope leaves more time for the systematic review and recycling of vocabulary and grammar required for students to achieve mastery of first-year skills. Fortifying this process at every turn is LearnSmart™, a powerful, super-adaptive learning program that guides students on an individualized path toward mastery of all the vocabulary and grammar in Conéctate. Active learning: Conéctate gives students the opportunity to explore language and culture through interactive activities that keep them focused and engaged. Vocabulary and grammar in Conéctate are taught using an active learning approach, nudging students to discover new vocabulary and language rules through a carefully balanced mix of inductive and explicit presentations and hands-on learning. Students are similarly asked to take an active role in an immersive online game, Practice Spanish: Study Abroad, designed around a study abroad experience in which they leverage their language and cultural skills to accomplish tasks and solve problems in various real-world scenarios. Integration of culture: Building on the active learning theme, students develop and apply critical thinking skills as they draw personal conclusions about the rich culture presented throughout Conéctate. Culture is embedded within the language activities themselves, included in notes that expand on the activity at hand, and seen through the integrated video that forms the basis for many activities in each chapter of the text. This authentic, unscripted video introduces students to useful chunks of language, real-world Spanish, and a wide range of topics related to cultural themes. Conéctate's stunning video was shot in Spain, Panama, Miami, Argentina, Costa Rica, and Mexico, and exposes students to a wide variety of people in each country who discuss topics that are familiar and engaging to students. Mobile Tools for Digital Success: The digital tools available in the Connect Spanish platform with Conéctate also successfully promote student progress by providing extensive opportunities to practice and hone their developing skills. These learning opportunities include online communicative activities, instant feedback, peerediting, sophisticated reporting, an immersive game, and an interactive eBook with embedded video and audio. The mobile-friendly platform allows students to engage in the course material anytime and everywhere. Connect is the only integrated learning system that empowers students by continuously adapting to deliver precisely what they need, when they need it, and how they need it, so that your class time is more engaging and effective. *Connect Spanish, including but not limited to the workbook/lab manual, LearnSmart, Practice Spanish: Study Abroad, the video program, and chat tools, is sold separately and does not come automatically with the purchase of the textbook.

The Complete Book of Spanish provides 352 pages of fun exercises that help students become comfortable with the vocabulary for things they encounter every day, while also reinforcing foreign language confidence! Topics covered include the alphabet, expressions, days and months, colors, clothes, animals, songs, and more! It also include a complete glossary and bibliographic suggestions. Over 4 million in print! Designed by leading experts, books in the Complete Book series help children in grades preschool⁶ build a solid foundation in key subject areas for learning success. Complete Books are the most thorough and comprehensive learning guides available, offering high-interest lessons to encourage learning and fun, full-color illustrations to spark interest. Each book also features challenging concepts and activities to motivate independent study, a fun page of stickers, and a complete answer key to measure performance and guide instruction.

Print Student Workbook and Audio Activities.

What you need to know to master basic Spanish grammar McGraw-Hill Education: Beginning Spanish Grammar guides you through this often-difficult subject, clearly explaining essential concepts and giving you the practice you need to reach your language goals. With an easy and unintimidating approach, each chapter introduces one grammar topic followed by skill-building exercises, allowing you to learn and study at your own pace. At the end of this workbook, you will have mastered grammar areas such as gender, articles, adjectives, possessives, and verb tenses and will be ready to take your grammar knowledge to the next level. Features: 107 units, each presenting one topic in a bite-sized, two-page format More than 400 exercises that give you real confidence in your new language skills A bilingual glossary featuring hundreds of terms for quick reference Numerous illustrations and usage examples showing Spanish grammar in context Luis Aragonés and Ramon Palencia are Spanish-language learning experts. Grupo SM is the third-largest educational publisher in the Spanish-speaking world. McGraw-Hill Education: Beginning Spanish Grammar is the first book in a three-part series: after completing this workbook you can build on your skills with McGraw-Hill Education: Intermediate Spanish Grammar and McGraw-Hill Education: Advanced Spanish Grammar.
