Why I stopped trying to be the perfect father—and how I made my peace with being a terrible one

A superb autobiography by one of the great literary figures of the twentieth century. Simone de Beauvoir's Memoirs of a Dutiful Daughter offers an intimate picture of growing up in a bourgeois French family, rebelling as an adolescent against the conventional expectations of her class, and striking out on her own with an intellectual and existential ambition exceedingly rare in a young woman in the 1920s. She vividly evokes her friendships, love interests, mentors, and the early days of the most important relationship of her life, with fellow student Jean-Paul Sartre, against the backdrop of a turbulent political time.

A superb autobiography by one of the great literary figures of the twentieth century. Simone de Beauvoir's Memoirs of a Dutiful Daughter offers an intimate picture of growing up in a bourgeois French family, rebelling as an adolescent against the conventional expectations of her class, and striking out on her own with an intellectual and existential ambition exceedingly rare in a young woman in the 1920s. She vividly evokes her friendships, love interests, mentors, and the early days of the most important relationship of her life, with fellow student Jean-Paul Sartre, against the backdrop of a turbulent political time.

The only child of an electrical engineer and a mother who resented the fact that she'd never been to university, the broadcaster Jenni Murray grew up in a traditional household in the 1950s. But instead of becoming the conventional housewife her mother expected her to be, Jenni opted to forge her own path in both her career and her personal life. The resulting tensions have lasted as long as she can remember. How, she has often wondered, could two women be so close, so full of love for each other, and at the same time so full of hate that they broke each other's hearts? And so Jenni began her remarkable memoir - and continued to write throughout 2006 as her mother lay dying, and Jenni struggled to care for her and her beloved father while herself being treated for breast cancer. Filled with love and laughter, frustration and heartbreak, and with the courage 'to keep on keeping on' even in the darkest days, it will speak to every mother and daughter, dutiful or not.

Unlock the more straightforward side of Memoirs of a Dutiful Daughter with this concise and insightful summary and analysis! This engaging summary presents an analysis of Memoirs of a Dutiful Daughter by Simone de Beauvoir, which tells the story of the author ' s childhood in middle-class society and her drive to be educated and exceed what is expected of her. The autobiography details the reality of everyday life for middle-class women during the early 20th century, who were denied adequate education or the freedom to make their own choices. De Beauvoir has received numerous awards for her works, as well as having an international human rights prize for women ' s freedom named in her honour. A portrait of 1940s America by a French writer, eg. "The constipated girl smiles a loving smile at the lemon juice that relieves her intestines. In the subway, in the streets, on magazine pages, these smiles pursue me like obsessions. I read on a sign in a drugstore, 'Not to grin is a sin.' Everyone obeys the order, the system. 'Cheer up! Take it easy.' Optimism is necessary for the country's social peace and economic prosperity."

When Judith G. Coffin discovered a virtually unexplored treasure trove of letters to Simone de Beauvoir from Beauvoir's international readers, it inspired Coffin to explore the intimate bond between the famed author and her reading public. This correspondence, at the heart of Sex, Love, and Letters, immerses us in the tumultuous decades from the late 1940s to the 1970s—from the painful aftermath of World War II to the horror and shame of French colonial brutality in Algeria and through the dilemmas and exhilarations of the early gay liberation and feminist movements. The letters also provide a glimpse into the power of reading and the power of readers to seduce their favorite authors. The relationship between Beauvoir and her audience proved especially long, intimate, and vexed. Coffin traces this relationship, from the publication of Beauvoir's acclaimed The Second Sex to the release of the last volume of her memoirs, offering an unfamiliar perspective on one of the most magnetic and polarizing philosophers of the twentieth century. Along the way, we meet many of the greatest writers of Beauvoir's generation—Hannah Arendt; Dominique Aury, author of The Story of O; François Mauriac, winner of the Nobel Prize and nemesis of Albert Camus; Betty Friedan; and, of course, Jean-Paul Sartre—bringing the electrically charged salon experience to life. Sex, Love, and Letters lays bare the private lives and political emotions of the letter writers and of Beauvoir herself. Her readers did not simply pen fan letters but, as Coffin shows, engaged in a dialogue that revealed intellectual and literary life to be a joint and collaborative production. "This must happen to you often, doesn't it?" wrote one. "That people write to you and tell you about their lives?"

"One of the most acute and thoughtful achievements of French fiction at mid-century." -- New York Times

In these letters, de Beauvoir tells Sartre everything, tracing the extraordinary complications of their triangular love life; they reveal her not only as manipulative and dependent, but also as vulnerable, passionate, jealous, and committed.

Offers a selection of writings from the Roman orator and statesman.

" One is not born a woman, but becomes one ", Simone de Beauvoir A symbol of liberated womanhood, Simone de Beauvoir's unconventional relationships inspired and scandalised her generation. A philosopher, writer, and feminist icon, she won prestigious literary prizes and transformed the way we think about gender with The Second Sex. But despite her successes, she wondered if she had sold herself short. Her liaison with Jean-Paul Sartre has been billed as one of the most legendary love affairs of the twentieth century. But for Beauvoir it came at a cost: for decades she was dismissed as an unoriginal thinker who 'applied' Sartre's ideas. In recent years new material has come to light revealing the ingenuity of Beauvoir's own philosophy and the importance of other lovers in her life. This ground-breaking biography draws on never-before-published diaries and letters to tell the fascinating story of how Simone de Beauvoir became herself.
