Mephisto by Klaus Mann: 9780140189186 | PenguinRandomHouse ...

Klaus Mann's Mephisto is a roman à clef written in 1936 and covering a period of about a decade in Germany leading up to that point, during the ascendancy of Nazi power. It furnishes a vivid picture of the times and a withering assessment of the integrity of those who "adapted themselves" to tyranny.

Mephisto is a 1936 novel by Klaus Mann. Mann's novel updates Faust to Nazi Germany. The protagonist is Hendrik Hoefgen, an ambitious actor whose career gains an improbable boost when Hitler takes power.

Mephisto (Literature) - TV Tropes

Klaus Mann, the second child of Thomas Mann, was born in Munich in 1906. He began writing short stories and articles in 1924 and within a year was a theatrical critic for a Berlin newspaper. In 1925 both a volume of his short stories and his first novel, *The Pious Dance*, were published.

Mephisto : Klaus Mann : 9780140189186 - Book Depository

Klaus Mann n'avait pas son génie, et son oeuvre multiple, abondante, brillante, relève plus du témoignage que de la création. Mais on peut imaginer que sa vie éclatée, déchirée, haletante était une réponse à celle par trop maîtrisée de son père. Thomas Mann n'avait jamais été jeune.

'Mephisto' erschien erstmals 1936 im Amsterdamer Exilverlag Querido, 1966 wurde seine Verbreitung in der BRD gerichtlich verboten, 1981 erschien trotz des Verbots eine Neuauflage.

“It chimes eerily with the times we are living through now.” ?Margaret Atwood, The New York Times Book Review Hendrik Hofgen is a man obsessed with becoming a famous actor. When the Nazis come to power in Germany, he willingly renounces his Communist past and deserts his wife and mistress in order to keep on performing. His diabolical performance as Mephistopheles in Faust proves to be the stepping-stone he yearned for: attracting the attention of Hermann Göring, it wins Hofgen an appointment as head of the State Theatre. The rewards - the respect of the public, a castle-like villa, a place in Berlin's highest circles - are beyond his wildest dreams. But the moral consequences of his betrayals begin to haunt him, turning his dreamworld into a nightmare. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. translations by award-winning translators.

Son of the famous Thomas Mann, homosexual, drug-addicted, and forced to flee from his fatherland, the gifted writer Klaus Mann's comparatively short life was as artistically productive as it was devastatingly dislocated. Best-known today as the author of *Mephisto*, the literary enfant terrible of the Weimar era produced seven novels, a dozen plays, four biographies, and three autobiographies--among them the first works in Germany to tackle gay issues--amidst a prodigious artistic output. He was among the first to take up his pen against the Nazis, as a reward for which he was blacklisted and denounced as a dangerous half-Jew, his books burnt in public squares around Germany, and his citizenship revoked. Having served with the U.S. military in Italy, he was nevertheless undone by anti-Communist fanatics in Cold War-era America and Germany, dying in France (though not, as all other books contend, by his own hand) at age forty-two. Powerful, revealing, and compulsively readable, this first English-language biography of Klaus Mann charts the effects of reactionary politics on art and literature and tells the moving story of a supreme talent destroyed by personal circumstance and the seismic events of the twentieth century.

One of the great World War I antiwar novels—honest, chilling, and brilliantly satirical. Based on the author's experiences on the Western Front, Richard Aldington's first novel, *Death of a Hero*, finally joins the ranks of Penguin Classics. Our hero is George Winterbourne, who enlists in the British Expeditionary Army during the Great War and gets sent to France. After a rash of casualties leads to his promotion through the ranks, he grows increasingly cynical about the war and disillusioned by the hypocrisies of British society. Aldington's writing about Britain's ignorance of the tribulations of its soldiers is among the most biting ever published. *Death of a Hero* vividly evokes the morally degrading nature of combat as it rushes toward its astounding finish. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Four men who are related to each other but became estranged during World War II are reunited in Rome after the war.

Like *Mephisto*, *Pathetic Symphony* is a novel about important artists and their milieu. Drawing his material from documented sources, and without ever distorting historical truth or sacrificing biographical accuracy for the sake of the narrative, Klaus Mann here presents a moving and unforgettable story of a tortured genius of music -- Peter Ilych Tchaikovsky. When the book was first published in 1948, *The New York Times* praised its "erotic passages and the recreation of the European musical society -- Brahms, Wagner, Grieg, Rubinstein, Mussorgsky walk through the pages." Inextricably bound up with Tchaikovsky's life are people who provide the rich orchestration of the novel: his "beloved friend" and mysterious benefactress, Madame von Meek, whom he never met personally; Désirée Artôt, the Belgian singer, with whom the young, struggling composer believed himself madly in love; Antonia Miliukov, the pathetic partner in Tchaikovsky's short-lived and tragic marriage; and Tchaikovsky's nephew Vladimir Davydov, whose youth and charm captured the heart of the older man. Tchaikovsky's trials and triumphs, adventures and strange compulsions, maladjustments and neuroses inspired Klaus Mann's admiration and compassion. Both were cosmopolitans who spent

Download Free Mephisto Klaus Mann

more time abroad than in their own countries; both raised the suspicion and envy of their contemporaries at home. According to Mann, Tchaikovsky was the prototype of a man without a country. In Russia, Tchaikovsky's works were criticized as being too Western, the Germans accused him of Asiatic primitivity, and the Parisians found him overly Germanic. Mann wrote Tchaikovsky's story with the conviction of personal identification: "I could describe all of it; none of it was alien to me," he wrote in *The Turning Point*. Christopher Isherwood wrote of Mann, his friend, "From his earliest days, he inhabited the circles of the brilliant and famous. He experienced pleasure and success at an age when one is best able to enjoy them. He traveled widely and continuously -- so much so that the huge upheaval of the Emigration [from Nazi Germany to Holland and then to the U.S.] seemed, as far as he was concerned, to be no more than an extension of his normal way of living. During the last sixteen years of his life, Klaus produced an impressive body of work -- novels, non-fiction books, and innumerable articles -- under circumstances that would have reduced most writers to impotent silence."
