By the way, although the car model is Pajeroio, I bought it when my wife before dating was single, then took the first ride on my first date, got married, gave birth, and the number of families increased.

I own a 2000 model Pajero IO 2.0 SWB manual, and I'm very impressed with its off-road abilities and reliability. Bought it in 2006 with 46 000km on the clock and now stands at 121 000km. It's on its second set of Cooper Discoverer St 235/70/16, which look great and adds a lot of traction in rough off-roading conditions.
