Shaped by Maitland Jones's years of classroom experience at Princeton University, Organic Chemistry remains committed to helping students understand--rather than memorize--the fundamental concepts of organic chemistry. Retaining the authoritative coverage, informal style, and abundance of carefully annotated figures of its predecessors, this Third Edition strives for even greater accessibility with a clean new design, new pedagogy, and enhanced treatment of topics like acids and bases, synthesis, and spectroscopy.

Organic Chemistry helps students understand the structure of organic molecules by helping them understand the how and why of organic chemistry.

This set of supplementary problems for students accompanies the third edition of Jones's Organic Chemistry.

“ A deeply felt, vivacious and wonderfully illustrated biography. ”
—Clancy Sigal, Los Angeles Times Book Review
A self-described “ desert rat ” who rocketed to fame at the age of twenty-two, Bill Mauldin used flashing black brush lines and sardonic captions to capture the world of the American combat soldier in World War II. His cartoon dogfaces,

Willie and Joe, appeared in Stars and Stripes and hundreds of newspapers back home, bearing grim witness to life in the foxhole. We ' ve never viewed war in the same way since. This lushly illustrated biography draws on private papers, correspondence, and thousands of original drawings to render a full portrait of a complex and quintessentially American genius.
