“A remarkable story.”—Publishers Weekly Set in the nineteenth century, Isabel Miller’s classic lesbian novel traces the relationship between Patience White, an educated painter, and Sarah Dowling, a cross-dressing farmer, whose romantic bond does not sit well with the puritanical New England farming community in which they live. They choose to live together and love each other freely, even though they know of no precedents for their relationship; they must trust their own instincts and see beyond the disdain of their neighbors. Ultimately, they are forced to make life-changing decisions that depend on their courage and their commitment to one another. First self-published in 1969 in an edition of one thousand copies, the author hand-sold the book on New York street corners; it garnered increasing attention to the point of receiving the American Library Association’s first Gay Book Award in 1971. McGraw-Hill’s version of the book a year later brought it to mainstream bookstores across the country. Patience & Sarah is a historical romance whose drama was a touchstone for the burgeoning gay and women’s activism of the late 1960s and early 1970s. This edition features an appendix of supplementary materials about Patience & Sarah and the author, as well as an introduction by Emma Donoghue, the Irish novelist whose numerous books include the contemporary Dublin novels Stirfry and Hood, the latter of which won the ALA’s Gay and Lesbian Book Award in 1995. Patience Creighton has devoted her life to running her father’s boarding school. But when the enigmatic master of the estate appears at her door, battered and unconscious, the young headmistress suddenly finds her livelihood—and her heart —in the hands of one dangerously handsome gentleman. At twenty-five, Patience Creighton is already a spinster. The busy headmistress of Rosemere always expected a dashing man to sweep her off her feet and take her away . . . but that man never came. And since her father’s death, keeping the school running and her mother happy has been plenty to keep her occupied. William Sterling dallied his way into financial trouble and mortal danger. When he is assaulted by his creditors’ henchmen on the road home from a tavern, he guides his horse to the doorstep of his tenant, the Rosemere School for Young Ladies. After being tended to by Patience, the wounded William rides off into the dawn—but makes a point to learn more about the lovely headmistress. As he spends more time at Rosemere, something delicate begins to develop between William and Patience. But that will not deter William’s creditors. With little money to repay his debts, and less for the upkeep of his estate, it becomes clear that sacrificing Rosemere may be the only way to preserve his legacy. But it may also cost him his happiness.

I thought everything would change, after the war. And now, no one even mentions it. It is as if we all got together in private and said whatever you do don't mention that, like it never happened. It's the late 1940s. Calm has returned to London and five people are recovering from the chaos of war. In scenes set in a quiet dating agency, a bombed-out church and a prison cell, the stories of these five lives begin to intertwine and we uncover the desire and regret that has bound them together. Sarah Waters's story of illicit love and everyday heroism takes us from a dazed and shattered post-war Britain back into the heart of the Blitz, towards the secrets that are hidden there. Olivier-nominated playwright Hattie Naylor has created a thrilling and theatrically inventive adaptation of a great modern novel. The stage adaptation of The Night Watch was premiered at the Royal Exchange Theatre, Manchester, on 16 May 2016.
