The "Progressive Publicists" of the late 19th and early 20th centuries propounded this idea. To such thinkers, information provides the panacea for social ills. An informed public is an empowered public.

PR! - A Social History of Spin: Ewen, Stuart ...

It helps make sense of and put in context the strategies and tactics of PR today. A central tension in PR history is a view of what "the public" is, dating back to the 1920s when public opinion exploded--is the public a mass of unthinking folk who need to be led by (or manipulated with emotional appeal) by elites, or are they able and desiring to make informed and rational decisions?

Chapter 1 Visiting Edward Bernays. When I began the research for this book-attempting to discover the social and historical roots that would explain the limitless role of public relations in our world-one of my first stops along the way was a sojourn with Edward L. Bernays, a man who, beginning during the 1910s, became one of the most influential pioneers of American public relations; a person ...

PR! A Social History Of Spin -Chapter 1

A SOCIAL HISTORY OF SPIN (Basic Books, December 1996) is the eagerly awaited history of public relations by one of the most eminent critics and historians of American consumer culture. According to Stuart Ewen, we live in an age of "virtual factuality," an Age of Public Relations in which the construction of "reality" has become a diagnostic feature of American life.

PR! A Social History Of Spin -Description

A Broader Social History of PR-Religion: o I wouldn ' t go so far as to say that St. Paul was a PR guy, at least one public relations historian identifies Paul as “ one of the most influential communicators in history. ” o In addition to authoring much of the New Testament, St. Paul deftly segmented his publics (Jews and early Christians), tailored his rhetoric for his audiences, visited churches, and was effective enough in spreading his message to change the course of religion and world ...

A Broader Social History of PR.docx - A Broader Social ...

In the United States, Public Relations dates back to the Revolutionary War. The strategies and tactics used to swell the ranks of patriots dedicated to the Revolutionary cause and staging of the Boston Tea Party are examples of early public relations. President Thomas Jefferson first used the term “ public relations ” in 1807.

The early years of the twentieth century were a difficult period for Big Business. Corporate monopolies, the brutal exploitation of labor, and unscrupulous business practices were the target of blistering attacks from a muckraking press and an increasingly resentful public. Corporate giants were no longer able to operate free from the scrutiny of the masses. The crowd is now in the saddle ...

A Brief History of Public Relations Public relations has been with us for thousands of years. The Greeks had a word for it: sematikos: to signify, to mean. Semantikos means semantics, which can be defined as how to get people to believe things and do things. That is not a bad definition of public relations.
