Get ready for your neonatal intensive care nursing certification exam with

Online Library Rnc Exam Study Guide

the only review developed in collaboration with three leading nursing organizations! From AACN, AWHONN, and NANN, Certification and Core Review for Neonatal Intensive Care Nursing, 5th Edition prepares you for your examination with hundreds of high-quality study questions and realistic test simulation. Based on the latest test plans of the AACN's CCRN®-Neonatal exam and the NCC's Neonatal Intensive Care Nursing (RNC-NIC) exam, review questions cover the changes to the Core Curriculum and reflect the latest evidence, essential knowledge, and best practices. New to this edition are three new chapters and 225 completely new review questions. This powerful study tool offers unparalleled preparation for your certification exam! Endorsed by the three most

Online Library Rnc Exam Study Guide

authoritative associations in neonatal intensive care nursing: the American Association of Critical-Care Nurses (AACN); the Association of Women's Health, Obstetric, and Neonatal Nurses (AWHONN); and the National Association of Neonatal Nurses (NANN). Realistic exam practice is offered through 675 total questions that mirror the certification exam content, the multiple-choice question format, and the distribution of content. Answers are provided for each question, accompanied by rationales and references, to enhance your understanding of the material. Online flexibility allows you to organize review questions and test format by your preferred examination, either the AACN or NCC. Online exam simulation — included free with each new copy of the book — mirrors the test-

taking experience with an interactive, timed format. Customized study lets you choose whether to work through online questions in Study Mode or Examination Mode. Online remediation includes rationales for both correct and incorrect answers, and in-book remediation provides rationales for correct answers. A compact, portable size makes the book easier to study anytime, anywhere. 225 NEW review questions include 75 in the book and 150 additional online questions on the Evolve companion website.

Thoroughly UPDATED review content reflects AACN's latest CCRN®-Neonatal exam and the NCC's latest Neonatal Intensive Care Nursing (RNC-NIC) exam, information in Core Curriculum for Neonatal Intensive Care Nursing, 5th Edition, and the newest evidence-based

Online Library Rnc Exam Study Guide

guidelines for neonatal critical care. NEW! Three new chapters include Grieving Process, Quality Improvement, and Facilitation of Learning. NEW focus on culturally sensitive care is included in an expanded Family Integration and Culturally Sensitive Care chapter. UPDATED rationales in the Answer Key are referenced to the most recent literature and evidence-based guidelines. Compatibility with iPads, iPhones, and other mobile devices allows online exam practice that is easy and convenient.

Thoroughly revised and updated, this new edition of Neonatal Intensive Care Nursing is a comprehensive, evidence-based text for nurses and midwives caring for sick newborn babies. Written by and for nurses, it concentrates on

Online Library Rnc Exam Study Guide

the common problems occurring within the neonatal intensive care unit. This user-friendly text will enable nurses to recognise, rationalise and remedy these problems using both a multi-systems and an evidence-based approach. Individual chapters include:

- Professional Development
- Developmentally-focused Nursing Care
- Resuscitation of the Newborn
- Management of Thermal Stability
- Management of Respiratory Disorders
- Cardiovascular Management
- Brain Injury in the Preterm Infant
- Haematological Problems
- Pain Management
- Fluid and Electrolyte Balance
- Nutritional management
- Neonatal Infection
- Diagnostic and Therapeutic Procedures
- Neonatal Anaesthesia
- Surgical Aspects of Neonatal Intensive Care
- Neonatal Transport
- Family Support
- Ethics

Online Library Rnc Exam Study Guide

and Neonatal Nursing • Medication in the Newborn • Death and Dying in the Neonatal Unit It is essential reading for experienced nurses and midwives caring for sick newborn babies within the neonatal intensive care unit, for nurses undertaking qualifications in the specialism of neonatal nursing and for pre-registration students undertaking relevant modules or placements.

Neonatal Certification Review for the CCRN and RNC High-Risk Examinations, Second Edition is an invaluable review guide to prepare for certification as a neonatal nurse. Ideal for those seeking the RNC credential in Neonatal Intensive Care Nursing (RNC-NIC) or the neonatal CCRN credential, it also offers helpful information about Low Risk Neonatal

Online Library Rnc Exam Study Guide

Nursing (RNC-LRN) certification. Completely updated and revised, the Second Edition contains more than 1,000 questions with comprehensive answer rationales on a broad range of topics, test-taking strategies, and a new section on breastfeeding. Please note, TestPrep must be purchased separately and is not included in the eBook.

Laboring Down, Epidural Infusions, Episiotomies, Family Bonding, Bishop Score, and much more...

Perfect as a resource in the field or for exam preparation, this authoritative reference from the Association of Women's Health, Obstetric, and Neonatal Nurses (AWHONN) includes in-depth coverage of the most common neonatal disorders and their management. The concise outline format highlights the essentials of each condition including definition, etiology, pathophysiology, signs and symptoms, diagnostic tests, treatments, and outcomes to help you find important information quickly. This new edition also features an increased focus on evidence-based practice, new CAMTS and AAMS guidelines, new techniques for PICC placement,

Online Library Rnc Exam Study Guide

and changes to the Neonatal Resuscitation Program. All necessary information to prepare for the neonatal intensive care nursing certification examination is included. Concise outline format provides access to important nursing considerations associated with the management of the most common conditions in the neonate. Text provides a collaborative effort between the three most authoritative associations in neonatal intensive care nursing - AWHONN, AACN, and NANN. Information on families, ethics, legal issues, research, case management, and the transition to home acknowledge the full scope of neonatal nursing practice. NEW! CAMTS and AAMS guidelines, techniques for PICC placement, and changes to the Neonatal Resuscitation Program are just a few of the updates

Online Library Rnc Exam Study Guide

that reveal the importance the new edition places on safety practices and procedures. NEW! Updated chapter on Patient Safety includes selected improvement strategies and resources for neonatal nurses to build a patient safety toolkit, discusses TeamSTEPPS (Team Strategies and Tools to Enhance Performance and Patient Safety), and recognizes human issues, such as shift work and fatigue. NEW! Increased focus on evidence-based practice for preterm infants, medications, and antepartum-intrapartum complications sets the standard for neonatal nursing practice. NEW! Strategies to promote inclusionary care better reflect nursing care today by focusing on family-centered care, comprehensive perinatal records, health care teams in the NICU, and best practices in the

Online Library Rnc Exam Study Guide

care of the late preterm infant. NEW! Comprehensively revised chapter on Immunology identifies risk factors for infection associated with term and preterm infants, distinguishes clinical symptoms and therapies associated with TORCHES CLAP spectrum infections, and includes prevention strategies for hospital-acquired infections. NEW! Thoroughly updated content and references reflect currency and technologic advances. NEW! Refocused chapter on Developmental Care guides the nurse to use assessment within the context of the environment and situation to initiate interventions in the moment or use patterns of responses for developing plans of care and presents core measures on evaluating developmental care practices in the NICU.

Online Library Rnc Exam Study Guide

The examination discussed in this book leads to certification as an Inpatient Obstetrics Nurse, otherwise referred to as RNC-OB. The certifying body in the US is the National Certification Corporation or NCC, and those certified are prepared to take care of patients in the area of obstetrics.
