When a patient comes in with a suspected infectious disease, knowledge is power. Now this knowledge is simplified, comprehensive and easy to find. The Pharmacist's Guide to Antimicrobial Therapy and Stewardship puts all the necessary information in one place, including: Evaluating potentially infected patients Identifying the infection's suspected source and related organisms Comparing the range of anti-infectives Knowing the factors that impact treatment Developing an antimicrobial stewardship program A step-wise approach walks logically from overall key concepts to disease- and drug-specific information. Disease states are summarized for easy reference. Tables make it easy to evaluate recommended treatment options. In infectious disease management, when answers are seldom

Launching on Oxford Medicine Online in 2012, with the full-text of eight Mayo Clinic Scientific Press (MCSP) print titles and a bank of multiple-choice questions, Mayo Clinic Toolkit provides a single location for resident, fellow, and practicing clinicians to undertake the self-testing necessary to prepare for, and pass, the Boards. The medical management of infectious diseases and antimicrobial therapy can be a daunting task for health care professionals. Mayo Clinic Antimicrobial Therapy: Quick Guide, Second Edition, provides information about infectious diseases and antimicrobial therapy in a format that is readily accessible and easily applicable to the clinical environment. Highlights of this resource include drug dosing recommendations for renal function and renal replacement therapies, drugs of choice for specific organisms (including bacteria, fungi, and viruses), and simplified antimicrobial and management recommendations for specific infectious syndromes. Highlights of The Mayo Clinic Toolkit include: - Each title is presented in an enhanced format, allowing the enlargement and download of all figures and images, and linking to external sources referenced in the text. - The multiple-choice questions are designed to mirror those in the Board
