Brian Haig, a distinguished ex US Army officer, puts his inside knowledge into this thriller about a military crime. Major Sean Drummond has to go to Kosovo to investigate a horrific massacre by an elite US Army Special Forces team.

In this, Sean Drummond's fourth outing, the wisecracking, bull-in-a-china-shop J.A.G. lawyer gets loaned out to a white-shoe law firm whose #1 client, a telecom giant, may be vacuuming up intelligence for a foreign power.

JAG lawyer Sean Drummond has gotten himself in way over his head -- with a case that challenges his deepest fears and a co-counselor who challenges just about everything else. Assigned to South Korea as an advocate for a gay officer accused of brutally killing the son of a South Korean war hero, Drummond is teamed up with an old law-school nemesis. Katherine Carson is a curvy, liberal, William Kunstler-like attorney with a reputation for manipulating the media on behalf of her mostly gay clients. Drummond is as distraught to be working with a woman who knows how to push all his buttons as he is to be defending this client. However, it's just this lack of political correctness that makes him the one man the CIA can trust with its disturbing secrets, and Drummond quickly learns that what appears to be an open-

New York Times bestselling author Brian Haig returns with a riveting new thriller about a man caught between the politics of big government and the corruption of big business. The Capitol Game It was the deal of the decade, if not the century. A small, insignificant company on the edge of bankruptcy had discovered an alchemist's dream; a miraculous polymer, that when coated on any vehicle, was the equivalent of 30 inches of steel. With bloody conflicts surging in Iraq and Afghanistan, the polymer promises to save thousands of lives and change the course of both wars. Jack Wiley, a successful Wall Street banker, believes he has found a dream come true when he mysteriously learns of this miraculous polymer. His plan: enlist the help of the Capitol Group, one of the country's largest and most powerful corporations in a quick, bloodless takeover of the small company that developed the polymer. It seems like a partnership made in heaven...until the Pentagon's investigative service begins nosing around, and the deal turns into a nightmare. Now, Jack's back is up against the wall and he and the Capitol Group find themselves embroiled in the greatest scandal the government and corporate America have ever seen...
