A new womanist theology emerges from this shared experience, from the interplay of oppressions on account of race, sex and class. Sisters in the Wilderness offers a telling critique of theologies that promote liberation but ignore women of color. This is a book that defined a new theological project and charted a path that others continue to explore.

It is a wonderful story of two sisters (in the awakening of feminine emancipation) emigrating from Suffolk to the wilds of BNA and fighting for life with their growing families. This was interesting to us since a relative of ours moved himself from Norfolk to BNA as a veterinary surgeon in the early days of pioneers starting the development of what became Canada
