First published under a pseudonym in 1967, Six Graves to Munich was Mario Puzo ' s literary predecessor to his legendary novel, The Godfather. In this unsung classic, Puzo ' s trademark unflinchingly stark writing style, vivid descriptive skill, and relentless pace are exemplified in the genre of the spy novel.

Six Graves to Munich is a novel which Mario Puzo wrote shortly before he penned The Godfather. It is fast-paced, no-nonsense, hard-boiled tale about revenge, ex-Nazi and spy network in the Cold War era. I like Mr. Puzo's writing style, which is simple and straight to the point; and the story is highly entertaining and effective.

First published under a pseudonym in 1967, *Six Graves to Munich* was Mario Puzo's literary predecessor to his legendary novel, *The Godfather*. In this unsung classic, Puzo's trademark unflinchingly stark writing style, vivid descriptive skill, and relentless pace are exemplified in the genre of the spy novel.

An explosive, non-stop thriller following one man's trail of violence across post-war Europe from the bestselling author of *The Godfather*. Michael Rogan was an intelligence officer behind enemy lines in World War II. But he made the mistake of falling in love, which gave him something to lose—or to be taken from him. Captured by the Nazis, Michael was treated as an experiment. A piece of meat. A subject upon which his captors committed atrocity upon atrocity. But not before they did the same to his wife—and unborn son. He's lived with the horror of that experience for ten years. Now, Michael Rogan has returned to Europe to find the men who tortured him. And he's going to make sure that they never have to live with the horror as he did...They will die with it. First published under a pseudonym in 1967, *Six Graves to Munich* was Mario Puzo's literary predecessor to his legendary novel, *The Godfather*. In this unsung classic, Puzo's trademark unflinchingly stark writing style, vivid descriptive skill, and relentless pace are exemplified in the genre of the spy novel. In his hands, the classic tale of revenge becomes a haunting study of humanity at its most visceral, offering a glimpse into a damaged soul whose only remaining purpose for living is to kill.

In the final days of the Second World War, Michael Rogan, an American intelligence officer, is tortured by a group of seven senior Gestapo officers who need to discover the secrets he alone can give them. Ten years later, when he has recovered from the appalling injuries he suffered, and determined to revenge the death of his wife at the hands of the same men, he begins a quest to track down and kill each one of his tormentors. Dark, violent, and graphic, this is an addictive thriller about how far one man will go to exact his own justice. Written a year before Puzo completed *The Godfather*, published under a pseudonym and only very recently brought to light, *Six Graves to Munich* bears all the hallmarks of a master storyteller.

Captured by the Nazis, intelligence officer Michael Rogan endured torturous experiments as a prisoner of war, and ten years later, he returns to Europe to plot his revenge.

Paris, 1890. When Sherlock Holmes finds himself chasing an art dealer through the streets of Paris, he's certain he's smoked out one of the principals of a cunning forgery ring responsible for the theft of some of the Louvre's greatest masterpieces. But for once, Holmes is dead wrong. He doesn't know that the dealer, Theo Van Gogh, is rushing to the side of his brother, who lies dying of a gunshot wound in Auvers. He doesn't know that the dealer's brother is a penniless misfit artist named Vincent, known to few and mourned by even fewer. Officialdom pronounces the death a suicide, but a few minutes at the scene convinces Holmes it was murder. And he's bulldog-determined to discover why a penniless painter who harmed no one had to be killed—and who killed him. Who could profit from Vincent's death? How is the murder entwined with his own forgery investigation? Holmes must retrace the last months of Vincent's life,

testing his mettle against men like the brutal Paul Gauguin and the secretive Toulouse-Lautrec, all the while searching for the girl Olympia, whom Vincent named with his dying breath. She can provide the truth, but can anyone provide the proof? From the madhouse of St. Remy to the rooftops of Paris, Holmes hunts a killer—while the killer hunts him.

Mario Puzo won international acclaim for *The Godfather* and his other Mafia novels. But before creating those masterpieces, Puzo wrote his first acclaimed novel *The Dark Arena*—an astounding story of a war-scarred young American in a battle against corruption and betrayal. . . . After coming home at the end of World War II, Walter Mosca finds himself too restless for his civilian role in America. So he returns to Germany to find the woman he had once loved—and to start some kind of life in a vanquished country. But ahead of Walter stretches a dark landscape of defeat and intrigue, as he succumbs to the corrupting influences of a malevolent time. Now he enters a different kind of war, one in which he must make a fateful decision—between love and ambition, passion and greed, life and death. . . .

Follows one family of Italian immigrants who settle in New York in the late 1920s through World War II, a family dominated by a defiant matriarch who struggles to raise six children and preserve Old World values in a new land.

A PRESIDENTIAL DYNASTY. AN ARAB TERRORIST ATTACK. DEMOCRACY UNDER SIEGE. Mario Puzo envisioned it all in his eerily prescient 1991 novel, *The Fourth K*. President Francis Xavier Kennedy is elected to office, in large part, thanks to the legacy of his forebears—good looks, privilege, wealth—and is the very embodiment of youthful optimism. Too soon, however, he is beaten down by the political process and, disabused of his ideals, he becomes a leader totally unlike what he has been before. When his daughter becomes a pawn in a brutal terrorist plot, Kennedy, who has obsessively kept alive the memory of his uncles' assassinations, activates all his power to retaliate in a series of violent measures. As the explosive events unfold, the world and those closest to him look on with both awe and horror.

In the skies above Europe, a Boeing 737 jets toward an unknown destination. On board is John Harris—a fugitive from justice. Charged by an international accord of ordering the torture of hundreds of innocent people, he is the most wanted man in the world. He is the former President of the United States. The pilot, Captain Craig Dayton, realizes that a silent conspiracy against John Harris is taking shape, and that every moment the plane spends on the ground makes a target for his enemies—who have already condemned him for his crimes. Now, as both sides wage a war of words in the most powerful courts in the world, the only safe haven left is in the air...

In this entertaining and insightful essay, Mario Puzo chronicles his rise from struggling writer to overnight success after the publication of *The Godfather*. With equal parts cynicism and humor, Puzo recounts the book deal and his experiences in Hollywood while writing the screenplay for the movie. Francis Ford Coppola, Robert Evans, Peter Bart, Marlon Brando, and Al Pacino all make appearances—as does Frank Sinatra, in his famous and disastrous encounter with Puzo. First published in 1972, the essay is now available as an ebook for the first time. A must-have for every *Godfather* fan! Featuring a foreword by Ed Falco, author of *The Family Corleone*.
