Just mix 1 Tbsp of that good old psyllium husk powder (Metamucil) with a cup of Sprite. Add your food coloring, edible glitter, and sprinkles to make a cool galaxy slime. When you're done, pour it into a clear or white balloon to make a fun stress ball! I would be a little worried about her stress ball, however.

Example of the vendor recipe system The vendor recipe system allows the player to sell items to any town vendor in exchange for a multitude of currency items and equipment. Each recipe requires semi-specific items or combinations of items be put into the sell window at the same time, and the outcome will change based on any recipes that have been matched. Unless noted otherwise, each item may ...
