Dracula have generated massive interest throughout time. Indeed, the story of a man (in some versions a very handsome, dashing man), who feeds on the blood of virgins in order to survive, and who walks the earth only at night, has been revived throughout the centuries in different forms. However, one famous tale that has

Elizabeth Bathory drained the blood of approximately 600 young women, in order to drink it, spread it all over her body as a nurturing blend, or simply to bathe in it. Her preferences for such practices can be explained by several factors, including the practices of the time as far as torture was concerned, her genetic heritage, personal

Despite the general impression that  
Bthory was exsanguinating these girls  
and bathing in their blood, it appears that  
she did much more. Sources indicate that  
most of the girls had been beaten, tortured,  
and even forced into particular sexual  
activities. Regardless, her attempts to do
