The Discipline of Teams* BEST OF HBR nition or, better still, an essential disci- piine that real teams share: A team is a smalt number of people with complemen- tary skills who are committed to a common purpose, set of performance goals, and approach for which they hold themselves mutually accountable. The essence of a team is common commitment.

The Discipline of Teams - ?????
A set of VALUES : that encourage

Access Free The Discipline Of Teams Harvard

listening and responding constructively to views expressed by others.

Providing Support & recognizing the interest and achievements of others

These values help teams perform, promote individual performance & that of the entire organization. The

essence of a TEAM is Common

Commitment: without it , groups

perform as individuals and with it, they perform as powerful unit of collective

performance. Teams fall apart if a common goal is missing, but on the contrary ...
