He considered his time as part of the "last hour" or end times. Though the end times are hotly debated today, it is clear the apostles believed they lived in some sense of "the end times," starting after the ascension of Jesus. John's reason for referring to the current time as "the last hour" was the emergence of so many of these antichrists.

"David Wong has updated the Lovecraft tradition and infused it with humor that rather than lessening the horror, increases it dramatically. Every time I set the book down down, I was wary that something really was afoot, that there were creatures I couldn't see, and that because I suspected this, I was next. Engaging, comic, and terrifying." -- Joe Garden, Features Editor, The Onion "Wong is like a mash-up of Douglass Adams and Stephen King... 'page-turner' is an understatement." --Don Coscarelli, director, Phantasm I-V, Bubba Ho-tep "That rarest of things--a genuinely scary story."--David Wellington, author of Monster Island, Vampire Zero "JOHN DIES AT THE END has a cult following for a reason: it's horrific, thought-provoking, and hilarious all at once. This is one of the most entertaining and addictive novels I've ever read."--Jacob Kier, Publisher, Permuted Press STOP. You should not have touched this flyer with your bare hands. But as you read about these terrible events and the very dark epoch the world is about to enter as a result, it is crucial you keep one thing in mind: None of this was my fault.

Famine. Death. War. Pestilence. These are the harbingers of the biblical apocalypse, of the End of the World. In science fiction, the end is triggered by less figurative means: nuclear holocaust, biological warfare/pandemic, ecological disaster, or cosmological cataclysm. But before any catastrophe, there are people who see it coming. During, there are heroes who fight against it. And after, there are the survivors who persevere and try to rebuild. It's the story "They" don't want you to read. Though, to be fair, "They" are probably right about this one. To quote the Bible, "Learning the truth can be like loosening a necktie, only to realize it was the only thing keeping your head attached." No, don't put the book back on the shelf -- it is now your duty to purchase it to prevent others from reading it. Yes, it works with e-books, too, I don't have time to explain how. While investigating a fairly straightforward case of a shape-shifting interdimensional child predator, Dave, John and Amy realized there might actually be something weird going on. Together, they navigate a diabolically convoluted maze of illusions, lies, and their own incompetence in an attempt to uncover a terrible truth they -- like you -- would be better off not knowing. Your first impulse will be to think that a story this gruesome -- and, to be frank, stupid -- cannot possibly be true. That is precisely the reaction "They" are hoping for. John Dies at the End's "smart take on fear manages to tap into readers' existential dread on one page, then have them laughing the next" (Publishers Weekly) and This Book is Full of Spiders was "unlike any other book of the genre" (Washington Post). Now, New York Times bestselling author David Wong is back with What the Hell Did I Just Read, the third installment of this black-humored thriller series.

John Hill and Marvino Buck sit in a prison cell, watching the world fall apart on the news. Janay Williamson, a guard at the Cook County Jail, finds herself surrounded by violent men when civilization begins to crumble. Henry Haynes is a doctor in the middle of his shift when he notices the hospital is eerily silent. None of them knew the world would end that day. Now that it has, they all will have to fight to stay alive. With the world collapsing all around them, death seems imminent. Surviving quickly becomes all that there is. The only thing separating life from death is who wants it more. Who has the strongest will to survive? All seems lost at the beginning of the end . . .

How John Wrote the Book of Revelation is the first of its kind, and introduces genetic literary reconstruction to Biblical studies. It enables the reader to produce prior drafts of Hebrew and Christian Scriptures, thereby allowing the reader to apply the literary science of genetic criticism to a book in the Bible. How John Wrote the Book of Revelation takes the most difficult book to understand in the Christian Scriptures and reveals the sequence in which it was written, from the very first line to the final parallel. This provides the reader, for the first time, with the experience of observing how a Biblical book was written, and does this from an intimate perspective, as though they were looking over John's shoulders as he crafted it. How John Wrote the Book of Revelation is the first book that teaches the reader how to read Revelation the way it was written. After centuries of blind guess work trying to divine meaning, and weak interpretations of symbols, this book finally presents a clear, precise, and consistent method. It is a guidebook to identify all the rich symbols and their meanings within Revelation. Inside the pages of this book is the all-encompassing theory of construction for the book of Revelation. It includes three prior drafts of the book of Revelation, along with hundreds of charts and illustrations. How John Wrote the Book of Revelation is like no other book that has been written before, and sets a new paradigm for all Biblical works.

The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

"A thrill-packed" blend of science fiction and apocalyptic thriller from the veteran horror writer and author of Halo: Broken Circle (Metro Silicon Valley). But the inexplicable rehabilitation of humanity's worst evildoers is only the beginning. As Jim sets out on a frantic search for his lost daughter, he must traverse a world reduced to the chaos of fear and uncertainty—for the end of everything we've ever known will be at hand once the Adjusters arrive from the stars. The Other End, John Shirley's brilliant and biting apocalyptic thriller, is the veteran author's answer to the bestselling Left Behind novels. A magnificent amalgam of science fiction, horror, satire, and heart-pounding adventure, it's a stunning and thought-provoking tale of righteous redemption in a dystopian near-future.
