In The Ministry of Guidance Invites You to Not Stay, Hooman Majd introduces us to the daily delights and challenges of life in the so-called axis of evil. His funny, wry account of daily life is a mixture of extreme driving, intense sociability, yellow-tinged sheep's yoghurt and truly good Cuban cigars, interspersed with challenges from the religious police, stealthy internet use and polite yet concerning interrogations inside government ministries.

The Ministry of Guidance Invites You to Not Stay: an American Family in Iran by Hooman Majd is a very ambitious book. In it, the author tries to explain Iran to the West, relate his family's experience during a one year stay in the country and comment on the societal quirks of life there in the year 2011. It was not significantly successful.

The Ministry of Guidance invites you to not stay : an ...

In *The Ministry of Guidance Invites You to Not Stay*, he recounts both his family's domestic adventures and a tumultuous year in Iranian politics. The result is an unforgettable portrait of an elusive country whose government, in the more than thirty years since its Islamic revolution, has been the United States' most intractable nemesis.

The Ministry of Guidance Invites You to Not Stay: An ...

The Ministry of Guidance Invites You to Not Stay traces their domestic adventures and closely tracks the political drama of a terrible year for Iran's government. It was an annus horribilis for Iran's Supreme Leader. The Green Movement had been crushed, but the regime was on edge, anxious lest democratic protests resurge.
