The X-ray equipment maintenance and repairs workbook is intended to help and guide staff working with, and responsible for, radiographic equipment and installations in remote institutions where the necessary technical support is not available, to perform routine maintenance and minor repairs of equipment to avoid break downs. The book can be used for self study and as a checklist for routine maintenance procedures.

Richard Alderman, "The People's Lawyer," cuts through the jargon of the "legalese" and helps you protect yourself, your family, and your property. This book gives you practical, easy-to-understand answers to all kinds of everyday questions about divorce, child support, credit, bankruptcy, leases and tenant rights, small claims court, wills and probate, immigration, and much more. Now in its seventh edition, this popular guide uses a simple question and answer format to help you understand and solve many common legal problems. In addition, the author provides sample forms and model letters, including a living will, a medical power of attorney, and durable power of attorney.

Educational resource for teachers, parents and kids!

About 80% of all VCR problems really boil down to one component that is bent, worn out, loose, or dirty--and easily found and repaired by the average do-it-yourselfer. This thoroughly illustrated guide can save VCR owners hundreds of dollars in repair bills by showing them how to correct many of the most common VCR malfunctions right in their own homes.
