While Australian specifications have yet to be finalised, the lowest grade model shown at New York included gear like three-zone climate control, LED head- and tail-lights, eight-way electric adjustment for the driver's seat, not to mention the latest Toyota Safety Sense 2.0 electronic suite.

### All-new Toyota Kluger unveiled in New York

Italian manufacturer VM Motori S.p.A. has designed and built several different diesel engines for many third-party applications. Fiat is the actual owner, and sells projects to automotive manufacturers like GM, Jeep, and other companies. VM Motori offers different range of engines depending on the applications: automotive, industrial, marine, and power generation.
