This highly acclaimed all-Spanish grammar review text is ideal for intermediate or advanced Spanish classes, AP preparation, or beginning college Spanish. The 13 lessons include charts, explanations, and abundant practice for each grammar point. An accompanying Test Book contains two tests per lesson to allow for pre- and post- testing.

It's true that some people spend years studying Spanish before they finally get around to speaking the language. But here's a better idea. Skip the years of study and jump right to the speaking part. Sound crazy? No, it's language hacking. Unlike most traditional language courses that try to teach you the rules of Spanish, #LanguageHacking shows you how to learn and speak Italian through proven memory techniques, unconventional shortcuts and conversation strategies perfected by one of the world's greatest language learners, Benny Lewis, aka the Irish Polyglot. Using the language hacks -shortcuts that make learning simple - that Benny mastered while learning his 11 languages and his 'speak from the start' method, you will crack the language code and exponentially increase your language abilities so that you can get fluent faster. It's not magic. It's not a language gene. It's not something only "other people" can do. It's about being smart with how you learn, learning what's indispensable, skipping what's not, and using what you've learned to have real conversations in Spanish from day one. The

Method #LanguageHacking takes a modern approach to language learning, blending the power of online social collaboration with traditional methods. It focuses on the conversations that learners need to master right away, rather than presenting language in order of difficulty like most courses. This means that you can have conversations immediately, not after years of study. Each of the 10 units culminates with a speaking 'mission' that prepares you to use the language you've learned to talk about yourself. Through the language hacker online learner community, you can share your personalized speaking 'missions' with other learners - getting and giving feedback and extending your learning beyond the pages of the book . You don't need to go abroad to learn a language any more.

Medical Spanish 101 offers you authentic medical dialogues in English and Spanish. 25 units of dialogues and integrated exercises strengthen your skills and start you thinking in Spanish. Sequential presentations of the basic grammatical components of the Spanish language are followed by enlightening drills to familiarize you with the sounds and texture of medical Spanish. Answer Keys follow each unit. There are over 200 cartoons of useful patient-provider interchanges. An appendix of dictionaries follows. It's all here!

Spanish-speaking patients are no rarity in United States hospitals and clinics, as many English-speaking health care providers have discovered. To help these providers better communicate with the patients they serve, Ana Malinow Rajkovic has prepared the Manual for (Relatively) Painless Medical Spanish, a lively and innovative self-teaching guide to the grammar, pronunciation, and medical vocabulary of Spanish. Presented in a systematic and highly entertaining fashion, twelve lessons cover some of the most commonly encountered situations. These include the family clinic, the emergency room, appendicitis, the social chat, pregnancy, family planning, pelvic inflammatory disease and urinary tract infection, depression, children with asthma, patients with angina, explaining a venipuncture and a spinal tap, and patients with shortness of breath. Each lesson closes with a bilingual interview that includes vocabulary and grammar introduced in that lesson. A guide to the medical history and physical examination appears in English and Spanish in the appendix. Excellent in the classroom or for independent learning, the Manual will enable health care providers better to understand and supply the needs of Spanish-speaking patients.

This Answer Key includes answers to the homework practice activities in the Workbook that are integral to learning with Gram á tica para la composici ó n. With the Answer Key, students are able to check their own work. For Teachers: Exam copies of the Answer Key for the ebook workbook are available free of charge to instructors and can be ordered on this page.

Focusing on communication needs in real-world clinical situations, Dr. Pilar Ortega ' s updated edition of this practical text helps you address today ' s growing demand for Spanish-speaking physicians and healthcare workers. This resource provides basic Spanish skills, sample interview questions, relevant cultural information, and more, in addition to online videos of physician-patient interactions, interactive self-assessment tools, and clinical vignettes. You ' ll find exactly what you need to develop better physician-patient communication skills, increase your cultural competence, and make better clinical decisions in your practice. Understand the nuts and bolts of better communication through Spanish grammar, vocabulary, pronunciation, sample interview questions, and helpful interview techniques. Improve your skills with new and expanded content including more practice exercises for self-assessment, information on cultural issues, grammar tips and practice, complex clinical scenarios, and how to best use interpreters in your practice. Stay up to date with new chapters on pediatric health; common procedures and informed consent; the physician ' s impression and plan; diabetes medication; travel history and special exposures; adult immunization history; exercise and adult health safety screening; and specialized physical examination. Gauge and hone your doctor-patient communication skills with interactive self-assessment tools and practice exercises. Watch video of real-time physician-patient exchanges (with English and Spanish subtitles), complete interactive practice exercises, and learn from clinical vignettes—all online at Student Consult.

Provides techniques for achieving high scores on the AP Spanish exam and offers two sample tests with answers and explanations.
