Vocabulary: Level A (3rd edition) introduces seventh graders to etymology as a means of determining the meanings of words. Students study Latin roots, prefixes, and suffixes to learn recognition of word families. Students also study synonyms, antonyms, and homonyms as well as positive and negative context clues to determine word meaning. Level B continues the study of Latin word parts and presents new words in word families that share a prefix, root, or suffix. Level C concludes the special emphasis on Latin word parts and discusses the difference between denotative and connotative meaning.
