Waterbugs and Dragonflies

How Do Dragonflies See The World? | Animal Super Senses | BBC*Water Bugs And Dragonflies Explaining*

In my opinion, this is simply a pleasant tale for children, one of a water bug changing into a dragonfly, and does not fulfill it's intended purpose of explaining death to a child (specially if you are not religious and don't want to be using the concept of heaven).

Waterbugs and Dragonflies by Doris Stickney Waterbugs and Dragonflies : Explaining Death to Young Children" Down below the surface of a quiet pond lived a little colony of water bugs. They were a happy colony, living far away from the sun. For many months they were very busy, scurrying over the soft mud on the bottom of the pond. They did notice

*Waterbugs and Dragonflies - St Richard's Hospice*

A fable that explains death to children using water bugs who transform to dragonflies. The idea is that dragonflies can never return underwater to visit the water bugs, just as one who has died cannot return to life. I didn't like it at all, I don't think it works as a fable and think it will confuse kids.

*Water Bugs and Dragonflies: Explaining Death to Young ...*

'Water Bugs and Dragonflies' tells the story of a small colony of water bugs living happily below the surface of a quiet pond. Every so often one of them climbs up a lily stalk and disappears from sight, never to return.

*Water Bugs and Dragonflies: Explaining Death to Children ...*

Water Bugs and Dragonflies: Explaining Death to Young Children ... Super pictures to colour whilst telling the story of how bugs under the water become dragonflies and however much they want to go back and tell their friends that above water is lovely they can't get down again. Super way of describing death to children.

*Amazon.co.uk:Customer reviews: Water Bugs and Dragonflies ...*

This is a beautiful way to talk about death. The story of the water bug and the dragonflies is a touching and graceful way of explaining that someone might not be right in front of us the way we remember, but they are still around us in a different way. I bought this book on reviews alone, I am so glad I did. 12 people found this helpful
